

The window you can walk on

PGX A5 is the most durable window in our offer.

The special glazing unit is incredibly load-bearing and load-resistant. Such construction makes walking on a window possible. To ensure your safety we use a cameo dot non slip coating. PGX A5 will function perfectly as unction perfectly to lighten your room and maximise the functional space on your roof garden. It can be used for green roofs as well and give the owners of the flat roofs new arranging possibilities.

Window so durable you can easily walk on it.
